

Senior Executive Team  
Biography

## **Andrea Johnston**

Chief Financial Officer

Ms. Johnston was most recently Chief Financial Officer for a global software brand. She was responsible for driving strategy, including partnerships and alliances, mergers and acquisitions, and industry diversification.

Past roles include CEO of a technology leader in developing uniquely patented products for the electric power industry, and the senior finance and human resource executive at a large power utility company.

She earned a Bachelor of Commerce and Bachelor of Arts (Literature) from the University of British Columbia and holds professional designations as a Chartered Professional Accountant (CA), Chartered Business Valuator, and Certified Public Accountant (Delaware).

Ms. Johnston is a Director of Bionic Power Inc. and sits on the Strategy, Management Accounting & Finance Advisory Board for CPA Canada.
